Dear Rob,

I would like to take this opportunity on behalf of myself and the Squadron to thank you and the Worshipful Company for your very generous contribution to the Squadron Operational Nominal Roll board.

As you are no doubt already aware, everyone who looks at the "board of honour" comments on how splendid it looks and how well it honours all the Territorial Army soldiers who have volunteered to serve their country and risk their lives on operations abroad.

We really appreciate the links we have with The Company and how you have made this formal recognition of the unit's operational contributions, come to fruition.

Thank you again for The Company's very kind donation.

I look forward to seeing you again on the 4<sup>th</sup> July for the re-run of the unveiling photograph.

Best wishes

Mick Sanson
