Once again by popular demand, the Company will be returning to L'Atelier Des Chefs, near St Pauls, to be expertly guided to improve our cooking skills. This time, with a South Asian/Thai themed 3 course meal.

Our expert chef will teach us all required cooking techniques in a humorous and entertaining way, so ideal for complete beginners or experts. Once prepared we will sit down and eat the fruits of our labour.

It's a fun and informal way to meet fellow Liverymen and gain a life skill.

Bon Appetit!
